Eligible Populations for Emergency Housing Voucher (EHV) Assistance

In order to be eligible for an EHV, an individual or family must meet one of the following eligibility categories:

- Homeless
- Fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking

In general, the verification that the individual or family meets one of these eligibility categories is conducted by the Capital Area Coalition on Homelessness (CACH) or another partnering agency that makes direct referrals to the Housing Authority of the County of Dauphin (HACD). CACH or other direct referral partner must provide supporting documentation to the HACD of the referring agency's verification that the family meets one of the eligible categories for EHV assistance.

The following definitions always apply with respect to EHV eligibility, regardless of whether HACD may have established another definition for any of these terms in HACD's administrative plan.
